

Save Maumee Monthly Monday  
Meeting MINUTES: May 5, 2014  
Called to order: 7:01 pm

Adjourned: 8:34pm

I. Introductions

II. Canoe trip overview- Great publicity, awesome commodore, WNDH Radio coverage- David Glick

III. Need volunteer to take over savemaumee@yahoo email account. Its getting over loaded. Dani?

IV. There is a lot of hype around the area. People that are very excited for more hands on projects on the river bank. The expectations are high for Save Maumee. We need to take advantage of the excitement over the canoe trip, we need to take charge and be the leaders of this event in the future.

V. Should Save Maumee participate in the March against Monsanto? Does it fall within our mission? Voted Nay = mission drift

VI. Voted Yeah to passing out stickers and papers at the monsanto event

VII. Canoe trip Awards

VIII. Thank you note party for all participants on canoe trip- Jain proposal- Monday May 12 @ 4pm Abby's house

IX. Save Maumee goals for 2014- ACE legislation is coming up for a vote. Can we get HEC involved to help outreach for phone calls to senators asking for support for the bill?

X. Make priority relationship with Army Corp. Keep up with legislation and how its progressing

XI. Discuss removal of rip rap, study

XII. Highlight to public the need for a more Frequent tox-away day.

XIII. Abby and Lydia working on getting environmental law classes at university

XIV. All seeds, plants, chaff, need to be planted within the next 40 days

XV. Raft race volunteers? Raft committee? Office on the water theme?

XVI. Storage unit discussion
